cancerandchrist: Spiritual Exploration Through the Lens of a Cancer Journey Jason R Hill

A cancer diagnosis can cause one to question many things, including faith. Here the author suggests that is not a bad thing. When Jason Hill received his cancer diagnosis in early 2011 he was already in the midst of spiritual exploration, challenging traditional religious beliefs and attempting to view spiritual ideas in new ways. A cancer journey simply offers a new perspective. In 2012 Jason began a blog to share how his cancer journey is helping to shape his spiritual journey. This volume is an anthology of the first two-plus years of that blog. Whether you are or know someone who is facing cancer or are simply interested in taking a fresh look at your spiritual life, you are invited to share in this journey.
