You are so young. You may wonder what an old man like me could teach? I wonder as well. I certainly don't claim to know all the answers. I'm barely figuring out the questions...Life has a strange way of repeating itself and I want my experience to help you...My hope is that you'll consider my words and remember my heart.

Harry Whitney is dying. He has Alzheimer's disease, and he knows his "good" time is dwindling. So he compiles a book of poems for his favorite granddaughter, Emily, hoping that his words of hard-won wisdom will heal the old wounds that are tearing his family apart. But Harry's poems contain much more than meets the eye -- clues and riddles that lead to an extraordinary cache of letters and a promise of hidden gold. As Emily and her family uncover Harry's secrets one by one, they learn unforgettable lessons about romance, forgiveness and hope that might hold them all together.
