## **Red Rooms** Cherie Dimaline

Red Rooms is a unique journey articulating the lives of the Native patrons of an urban hotel as seen through the eyes of the hotels cleaning lady. The characters face the crises in their lives in ways that are easily identifiable and not uncommon to Native people. What is unique about this collection of stories is Dimaline's sometimes cryptic, sometimes comedic, always compassionate and visionary housekeeper who offers hindsight, insight and foresight to the reader in the representation of their lives."Haunting and complex Red Rooms is the Native Rosetta Stone. A lovely tour de force from an up-and-coming writer to watch."Eden Robinson
