Shadow of Utopia: The Complete Collection Luke Shephard

The complete collection of the Shadow of Utopia series! This boxed set includes all three volumes. Follow Cora, one of the people on the surface world who has developed powers from the sickness that swept the nation, as she overcomes obstacles and tries to understand the enigmatic Utopia. This collection includes:

The Mutants: Vol. 1 Once, long ago, the world was a happier place. It was beautiful and rich with life. There was music and laughter, pictures that could move, objects that could sing. When a life was born, people celebrated and hosted parties. When a life was taken, people were overcome with grief. There was light everywhere, and hope could always be found in the darkest of times. That world was called Earth. Earth is no more. This is the dead Earth, a shell of what once was. Here there is darkness and death, sickness and turmoil. Music is fragments of memories contained within the oldest people. Laughter is for fools. Life is misfortune, death is celebrated. There is no hope. Over population and sickness have led to the destruction of society. The elite live in a floating utopia overlooking the dying world below. Many of those on the surface are mutilated and insane, side-effects of the plague that swept the land. Yet, a few have overcome the illness and developed strange powers from it. They are trying to survive in a war-torn world as neither part of the mutants or the normal people living above. Cora is one of the people on the surface world who has developed powers from the sickness that swept the nation. This is her story.

The Resistance: Vol. 2 Cora continues on the road to find the Lost Colonies. Will she survive the strangers, the creatures, the...unknown that is waiting for her? Will she find the lost colonies and a source of hope for her people...?

The Invasion: Vol. 3 After settling in at the Lost Colonies and making a life for herself, Cora's world is rocked when she finds out that she must attempt the unthinkable: Find a way into Utopia! The fate of the Mutants and the Utopians rests in Cora's hands. Will she be able to make the right decision?
