An Overview of Narrative Techniques: "Story Telling" Edited by Paul F. Kisak

A narrative technique (also known, more narrowly for literary ?ctional narratives, as a literary technique, literary device or fictional device) is any of several speci?c methods the creator of a narrative uses to convey what they to say. In other words, a strategy used in the making of a narrative to relay information to the audience and, particularly, to “develop” the narrative, usually in order to make it more complete, complicated or interesting. Literary techniques are distinguished from literary elements, which exist inherently in works of writing.
