Patricia Van Voorhis, Michael C. Braswell, David Lester

Correctional Counseling and Rehabilitation Patricia Van Voorhis, Michael C. Braswell, David Lester
In exploring the criminalization of corporations, this book uses the landmark "Ford Pinto case" as a centerpiece for exploring corporate violence and the long effort to bring such harm within the reach of the criminal law. Corporations that illegally endanger human life now must negotiate the surveillance of government regulators and risk civil suits from injured parties seeking financial compensation. They also may be charged with criminal offenses and their officials sent to prison.
