As Wes Willmer writes, generosity is the natural outcome of God's transforming work in individuals when they are conformed to the image of Christ. Fundraising and giving are not simply drops in the bucket. Capital campaigns and raising funds go deeper than the money. They are spiritual activities in becoming more like Christ.

A Revolution in Generosity is a work by some of the best scholars and practitioners on the subject of funding Christian organizations. As Willmer writes, "The foundation for realizing a revolution in generosity is understanding the biblical view of possessions, generosity, and asking for resources." With over twenty expert contributors, this book is a must-read for organizations striving to rid themselves of secular, asking practices and gain an eternal approach.
