Super Word Search Puzzles for Kids John Chaneski

Play hide and seek on a piece of paper! The words hide, as jumbled letters in a grid, and you seek, by looking at the finished words in lists below. It's just a matter of noticing the finished words hidden in the grid by hunting them down, and up, and backwards, and diagonally. Once you spy the hidden words, you can circle them, then find phrases made by the words. All 56 puzzles demand great detective work, and each rewards you with a different secret message. The messages feature movie stars and magic tricks, sports teams and Pokemon, hidden treasure and McDonald's. To keep you in suspense, some words are hidden in rebus puzzles, mazes, and picture grids, from a mailbox to Snoopy's doghouse. Hardest of all to solve are three "Guess the Theme" puzzles where the word list is missing and you've got to figure out what's on it.
