## Wizard's Heir (A Bard Without a Star Book 1) Michael A. Hooten

Gwydion ap Don is a talented harpist, and a known rogue. But his Uncle Math sees something more: a young man with the magical talent to succeed him as Lord Gwynedd. But to learn magic, Gwydion will also have to learn self-control, duty, honor, and the martial arts. He's not sure which will be the hardest. And when his training in magic begins in earnest, his whole world will change, as well as how he sees himself.

Based on the ancient Welsh myths from the Mabinogion, but set in the world of *Cricket's Song*, this new series looks at one of the three great bards of Glencairck, Gwydion. But long before he became a great bard, he had to learn how to be a good man. This is the story of how his uncle tries to temper him into a leader, and a suitable heir.
