A Second Opinion: Theories and Observations on Life and Human Behavior Emily Maroutian

A Second Opinion is a collection of philosophies, theories, and observations that will alter your sense of self and the world around you. Through simple observations and questions, it awakens readers to discover insights into their own consciousness and uncover personal truths that lead to their own enlightenment.

Emily Maroutian uses the simple approach of awareness to guide the reader to be wakeful of false beliefs, negative thoughts, destructive feelings, hindering habits, and myths about happiness and security. Journey inside for a mind-expanding reexamination of the human condition.
