Animal K'wan

One bullet changed everything.

Three years after narrowly escaping a one way trip to the gas chamber, the fugitive known only as Animal finds himself drawn back to the scene of the crime, Harlem, NY.

Throughout his entire time in exile the only thing that kept Animal going was the thought that he would one day be reunited with his soul mate, Gucci. But one bullet changed everything.

When his enemies tried to murder Gucci they crossed the line, so he vowed to cross them all. While Gucci teeters between life and death Animal sets out on a bloody mission fueled by love and orchestrated by bullets...there would be no more innocents.

Alliances are formed and secrets uncovered while Animal wages his personal war on the streets of Harlem only to discover one great truth....he is but a small piece in a much greater puzzle.

From reader reviews:

Diana Ham:

Information is provisions for individuals to get better life, information currently can get by anyone in everywhere. The information can be a information or any news even a problem. What people must be consider when those information which is in the former life are challenging to be find than now is taking seriously which one would work to believe or which one the resource are convinced. If you get the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take Animal as the daily resource information.

Joseph Curtis:
