Written by some of the top researchers and clinicians in the field, **Communication Disorders in Multicultural Populations, 4th Edition** offers an in-depth look at the major cultural groups in the U.S. and the issues concerning their communication development, common disorders, and treatment options. This fourth edition features a wealth of updates and new features - including the latest research and added coverage of communication issues in countries such as Australia, China, Canada, and Brazil - to give speech-language pathology students and speech-language pathologists a balanced and global perspective on the most topical multicultural communication issues of today.

- **Comprehensive coverage** focuses on a wide variety of cultural and age populations.
- **Cutting-edge research and data** offer up-to-date discussions based on the latest studies in multiculturalism as it relates to the SLP and AuD professions.
- **Diverse panel of expert authors** include some of the top researchers and clinicians in the field.
- **Additional resources** provide a focused listing of print and electronic sources at the end of each chapter to support more in-depth study of a particular subject.
- **Chapter on international perspectives** tackles issues in countries such as Australia, Canada, China, and Brazil to give you a more global understanding of communication disorders.
- **The latest statistics** from the 2010 U.S. Census report offers the most current data available.
- **Increased content** on older adults covers the multicultural issues, voice disorders, and neurogenic disorders particular to this important demographic.
- **Case studies** give you practice solving realistic clinical problems.
- **Chapter overview and conclusion** outline the key information in each chapter and serve as a checklist for content mastery.
