Large format, coffee-table size book - 9.75" x 12.25". Limited Edition of 295. For the last twenty years, Audrey Geisel has kept more than forty artworks behind a concealed door which have never been published or publicly viewed - until now. *Secrets of the Deep: The Lost, Forgotten, and Hidden Works of Theodor Seuss Geisel* presents these unpublished estate paintings, an array of little-known works spanning the twentieth century, and several rare findings from public and private collections - many being published here for the first time. This expanded and reorganized look at the art of Dr. Seuss is the first book published on Ted Geisel's artistic career in the past fifteen years.
