Last Stand at Megiddo

Cliff Billings

Last Stand at Megiddo Cliff Billings

The New World Order: it's not a conspiracy, it's a direction. Author Cliff Billings brings your biblical worldview into sharp focus. Read along as he systematically identifies the key players of the Apocalypse and nails the satanic lie of global warming in his thrilling book, Last Stand at Megiddo. You will see clearly how God will dismantle Satan's very flawed, end-time strategy for world dominance. You will learn what the Bible says about the Church and Israel and the tragedies that await the uninformed and unconcerned. It's obvious that the world we thought we knew is fast changing. End-time wars, famines, earthquakes, and persecution are now commonplace. We stand uncomfortably close to the edge of global chaos. We can't back up, we can't make it go away, and our 'turn the other cheek' mentality only seems out of context as the saber rattling intensifies. We are the long-awaited eyewitnesses to what Christ predicted would happen. Going forward, Last Stand at Megiddo will take you on a thrilling adventure, from the tower of Babel to the epic Battle of Armageddon.
