Cooper Collection 189: (With apologies to James Garner) (The Roquefort Files) Bill Bernico

A famous Hollywood actor is shot dead on the streets of L.A. and Matt just happens to be there with Nick when the man gets shot by a sniper. Only when they check the man's identity, he is NOT that famous actor...just a man who looks enough like him to be his twin. Two more murders occur in the next few days and both victims resemble a famous actor. What's the connection? All three were in the same cheesy movie. Speaking of cheese, I decided to make Cheese my main, reoccurring theme throughout the story. Parts of the story are serious, but mostly I wrote this one tongue-in-cheek. Hope you enjoy it because it may be a while before I stray from the serious side of the Cooper Investigations business again.
