Charles Cathcart

Marston, Rivalry, Rapprochement, and Jonson (Studies in Performance and Early Modern Drama)

Charles Cathcart

Significant and unexplored signs of John Marston's literary rivalry with Ben Jonson are investigated here by Charles Cathcart. The centrepiece of the book is its argument that the anonymous play "The Family of Love", sometimes attributed to Thomas Middleton and sometimes to Lording Barry, was in part the work of John Marston, and that it constitutes a whimsical statement of amity with Jonson. The book concerns itself with material rarely or never viewed as part of the "Poets' War" (such as the mutual attempted cuckoldings of "The Insatiate Countess" and the Middle Temple performance of "Twelfth Night") rather than with texts (like "Satiromastix" and "Poetaster") long considered in this light.
