## **Phantoms & Monsters: Strange Encounters** Lon Strickler

A collection of personal encounter reports submitted by regular people who felt compelled to find answers about their unexplained experience. A variety of paranormal and supernatural incidents are covered, including phantoms / apparitions, humanoids / other beings, unexplained phenomena, aliens, UFOs, monsters & cryptids. I keep an open mind when reading and discussing witness accounts since I truly understand how they feel...because few people believed my extraordinary encounters either.
