## **The Holocaust in American Life** Peter Novick

Prize-winning historian Peter Novick illuminates the reasons Americans ignored the Holocaust for so long -- how dwelling on German crimes interfered with Cold War mobilization; how American Jews, not wanting to be thought of as victims, avoided the subject. He explores in absorbing detail the decisions that later moved the Holocaust to the center of American life: Jewish leaders invoking its memory to muster support for Israel and to come out on top in a sordid competition over what group had suffered most; politicians using it to score points with Jewish voters. With insight and sensitivity, Novick raises searching questions about these developments. Have American Jews, by making the Holocaust the emblematic Jewish experience, given Hitler a posthumous victory, tacitly endorsing his definition of Jews as despised pariahs? Does the Holocaust really teach useful lessons and sensitize us to atrocities, or, by making the Holocaust the measure, does it make lesser crimes seem "not so bad"? What are we to make of the fact that while Americans spend hundreds of millions of dollars for museums recording a European crime, there is no museum of American slavery?

#### **Amy Christensen:**

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's soul or real their pastime. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Holocaust in American Life can make you experience more interested to read.
