Meet The Pan of Hamgee: coward, unwilling adventurer and, by some miracle, K'Barth's longest surviving outlaw. He just wants a quiet life so working as getaway driver is probably a bad career move. Then he falls in love at first sight with a woman he hasn't even met who comes from an alternative reality. That's when things really begin to get complicated.

Meet Ruth Cochrane: she's the Chosen One, destined to play a pivotal role in saving K'Barth from a cruel dictator. She's never heard of K'Barth, though. She's a public relations executive from London and she's totally unaware of the chaos about to hit her life.

Meet Lord Vernon: power hungry psychopath on the brink of world domination. He wants to cement his hold on K'Barth by kidnapping the Chosen One and forcing her to marry him. Only one person is standing in his way: someone who doesn't even realise it, The Pan of Hamgee. For The Pan, and Ruth, that's a deadly problem.

Q - What kind of reader would like this book?

A - I think this British comedy story, the first in a series of four witty young adult alien stories will appeal to readers who enjoy a good teen science fiction series, a funny ya adventure series or who like the kind of humorous teenage fiction character that appear in them. The K'Barthan Series comprises four fast-paced scifi novels and this first coming of age humour story introduces us to The Pan, a cowardly anti-hero and Ruth, funny female lead character, strong heroine, epic woman hero and all round good egg. If you like a fast-paced sci fi cliffhanger or are looking for a good teen science fiction book, if you enjoy world satire stories, like to laugh at an unusual British comedy story or if you are simply looking for a different kind of fast-paced ya adventure series and some fun, action novel humour, Few Are Chosen, and the K'Barthan Series, may be for you. Fans of teenager romance books may also enjoy the clean romantic aspect of the later three books.

Q - What's so special about The K'Barthan Series?

A - For me that it's fun. The an unashamedly British comedy story. The kind of book I like with a heroine who is a strong funny female and which is full of action novel humour didn't exist so I wrote some young adult alien stories with technology, believable characters and bits of all the different genres I like. I really like The Pan and Ruth, too. Sure, in true teenage fantasy character our heroine is strong, but she's a humorous strong heroine, an out and out funny female lead who has a sharp wit in her own right. She acts as a good foil for The Pan's humorous heroics - and he for hers.

The series of young adult alien stories also features a devilish baddie and if you enjoy alien scifi species the inhabitants of K'Barth are definitely galactic-style scifi species. From Big Merv - the orange and slightly clammy Swamp Thing - to the small, red, furry resistance leader who will kill you if you call him cute the K'Barthan population has variety. Like any good teen science fiction series, this book comes down to an epic cliffhanger battle between good and evil.

Q – Should this series of books be read in order?

A – Yes. Here's the advised order:

Unlucky Dip: Prequel

Few Are Chosen, K'Barthan Series: Part 1

The Wrong Stuff, K'Barthan Series: Part 2

One Man: No Plan, K'Barthan Series: Part 3

Looking For Trouble, K'Barthan Series: Part 4

This book and series fit well in the following categories:
