## **America the Beautiful** Katharine Lee Bates

From his unique perspective as the great, great grandnephew of "America the Beautiful" writer, Katharine Lee Bates, Chris Gall transforms this beloved patriotic song into monumental works of art--from purple mountain majesties to gleaming alabaster cities. Honoring his ancestry and national pride, Gall pairs the beautiful lyrics with striking illustrations of notable American images such as Pike's Peak, the Tuskegee Airmen, and firefighters raising the American flag at Ground Zero.
