## **Best Epub Editor: Read and Edit Epubs for Smart Phones Using a Free Download** Robert Rodgers

Do you happen to have an epub formatted file but do not know the best way to view an epub file and edit it? After extensive investigation I have used a program that works beautifully. Better yet, it is free to download. This program can also be used to edit a epub book from scratch.

Screen shots explain how to open an epub file, edit it, find errors and correct them. Errors must be corrected else your book will not be accepted for download by services that provide books and other reading material for sale to smart phone users.
