## **Reading the Zohar: The Sacred Text of the Kabbalah** Pinchas Giller

Comprising well over a thousand pages of densely written Aramaic, the compilation of texts known as the Zohar represents the collective wisdom of various strands of Jewish mysticism, or kabbalah, up to the thirteenth century. This massive work continues to provide the foundation of much Jewish mystical thought and practice to the present day. In this book, Pinchas Giller examines certain sections of the Zohar and the ways in which the central doctrines of classical kabbalah took shape around them.
