For the first time in print, shamanic techniques are introduced that healers and Reiki practitioners can draw on to tap ancient healing wisdom. Shamanism and Reiki are, by themselves, powerful ways to heal. Together, their power multiplies, and healing methods become available that aren't accessible if they're used separately. The purpose of Shamanic Reiki is to introduce you to concepts in both and provide you with detailed proven methods to enhance your own healing practices, or to work on yourselves.
