With Lawrence in Arabia, by Lowell Thomas; original photographs taken by H. A. Chase, F.R.G.S., and by the author Lowell Thomas

It was 1918, in Jerusalem, when the admiring young American scholar and journalist Lowell Thomas first met T.E. Lawrence. He went on to write *With Lawrence in Arabia*, a book that sparked the Lawrence of Arabia legend and was the basis of the celebrated film. With brilliant narrative verve, Lowell recounts the exploits of the young British agent who managed to weld disparate and warring Arab tribes into a formidable mobile fighting force: a guerilla army that would defeat the Turks in the Arab Revolt, sealing the fate of the Ottoman Empire in the Middle East during World War I. On a canvas whose background is the fierce, inhospitable desert and in whose foreground stride the Emir Feisal, King Hussein I of the Hedjaz, the British General Allenby, and the strange, hypnotic figure of Lawrence himself, Thomas paints a vivid portrait of the modern knight of Arabia.
