A Thief in the Night: Further Adventures of A. J. Raffles, Cricketer and Cracksman E.W. Hornung
"These latest adventures of 'Raffles' and 'Bunny' are their most thrilling and exciting ones. The sentimental side of their story has never before been shown so dramatically and romantically, and the suggestion in this book of the final conclusion of their careers cannot but make these stories of the greatest interest to all readers." -Boston Herald. Probably the most famous thief of all fiction, Raffles was a man-about-town and famous cricketer by day and a master burglar by night. When they were first issued at the turn of the century, these stories rivaled the popularity of Sherlock Holmes and established the prototype for The Saint, James Bond, and the other gentleman-rogue figures of popular fiction. Raffles has been called "the greatest cracksman in the literature of roguery" by the Encyclopedia of Mystery and Detection, while Ellery Queen has described Raffles as the "inspiration for the whole school of devil-may-care adventurers on the borderlines of the law, not least the eponymous James Bond."
