**Forced into Glory: Abraham Lincoln's White Dream** Lerone Bennett Jr.

Beginning with the argument that the Emancipation Proclamation did not actually free African American slaves, this dissenting view of Lincoln's greatness surveys the president's policies, speeches, and private utterances and concludes that he had little real interest in abolition. Pointing to Lincoln's support for the fugitive slave laws, his friendship with slave-owning senator Henry Clay, and conversations in which he entertained the idea of deporting slaves in order to create an all-white nation, the book, concludes that the president was a racist at heart—and that the tragedies of Reconstruction and the Jim Crow era were the legacy of his shallow moral vision.

#### **Walter Pyle:**

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Forced into Glory: Abraham Lincoln's White Dream can make you sense more interested to read.
