While some people seem to have the natural ability to know what to study, how to absorb and retain information, and how to stay calm enough while actually taking a test to earn a great score, most of us find taking tests to be sheer misery. This is one of the most important chapters! Here you will find out:

- How to Take a Test - The basics
- In the Test Room - What you **MUST** do
- Common Mistakes on a Test - And how to avoid them
- Mental Prep - How to psych yourself up for a test

Maybe you have read this kind of thing before, and maybe feel you don't need it, and you are not sure if you are going to buy this book. Remember though, it only a few percentage points divide the **PASS** from the **FAIL** students. Even if our test tips increase your score by a few percentage points, isn't that worth it? **Why not do everything you can to get the best score on the Nelson Denny?**
