The Telling Alexandra Sirowy

A chilling new novel about a girl who must delve into her past if she wants to live long enough to have a future when a series of murders that are eerily similar to the dark stories her brother used to tell start happening in her hometown.

Ben was Lana's world. He was her big brother, her best friend. And then he was murdered in a grisly carjacking, and her world ended.

Now, six months later, Lana is trying to reinvent herself. She's found her way into the inner circle of popular kids, and the Lana she is now—bold, daring, brash, adventurous—barely resembles the shy, unpopular girl she used to be.

And then a body turns up. At first, everyone thinks it's just a horrible accident. But when more corpses appear, Lana begins to wonder what's going on. Because the details of the murders are strangely similar to the dark fairy tales that Ben used to tell her—stories that only she and Ben knew.

Is Ben seeking vengeance from the grave? Or is a darker phantom from their past coming forward to haunt Lana's present?
