Vendetta: Cleveland Ohio and America's Archipelago of Legal Failure Robert Grundstein

"Vendetta" is an original and non-fiction account of how an attorney who trusted the legal system was betrayed by it. He was subject to fraudulent charges, arrest, jail and coordinated aggression on a national basis after he criticized a Cleveland, Ohio judge in a published editorial. The story shows how elected judiciaries fail and how one in Cuyahoga County, Ohio, enlisted law enforcement, prosecutors and court clerks to attack someone who held a judge accountable.
