A Short History of Scotland

Christopher Harvie

A Short History of Scotland Christopher Harvie

In this gripping narrative, one of Scotland's leading historians and political writers discusses the geography, people and culture of this fascinating land--from prehistoric times to the present day.

The only short history of Scotland available that deals with the most recent developments in the country, like the establishment of Scotland's first parliament in over 300 years in 1999, this work places events in their historical and cultural context, and reflects the remarkable revival in Scottish culture and history writing since the 1960s. Topics covered include the shaping of the kingdom, medieval Scotland, reformation and dual monarchy, union and enlightenment, industrialization, and the troubled but ultimately triumphant twentieth century. Harvie also deals with long-standing clichés about Scotland and analyzes Scotland's disproportionate role in European nationalism.

From reader reviews:

Paul Dixon:

What do you consider book? It is just for students because they are still students or this for all people in the world, the particular best subject for that? Only you can be answered for that issue above. Every person has several personality and hobby for every single other. Don't to be pushed someone or something that they don't wish do that. You must know how great as well as important the book A Short History of Scotland. All type of book are you able to see on many solutions. You can look for the internet resources or other social media.

David Gehrke:

Playing with family inside a park, coming to see the coastal world or hanging out with buddies is thing that usually you have done when you have spare time, then why you don't try issue that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love A Short History of Scotland, you are able to enjoy both. It is very good combination right, you still desire to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't buy it, oh come on its known as reading friends.

James Chavez:
