Cosmic Grooves-Pisces: Your Astrological Profile and the Songs that Define You Jane Hodges

Are you "Hot Blooded"? A "Ramblin' Man"? "Do You Believe in Magic"? This exciting new series sheds fresh light on the power of the stars. Rhino Records, the leader of great music retrospective collections, and Chronicle Books have come together to assemble this astrological extravaganza. Colorful and vibrant, each of the twelve packages (one for every sign of the zodiac) contains a book as well as a tell-it-like-it-is CD with songs reflecting characteristics of that sign. If it's written in the stars, it's written in these pages-- everything from personality assessment to insight into the work, home, style, health, and love arenas. Heed the valuable advice for avoiding potential relationship fiascos (Capricorns and Aries: steer clear!) and learn from references to famous couples. Discover why the Libra/Aquarius couple John Lennon and Yoko Ono came together blissfully while the volatile Scorpio/Sagittarius duo of Ike and Tina Turner sent sparks flying. All this and more, plus a personalized CD that will have the sentimental Cancer reflecting on "This Magic Moment" by the Drifters and the honest and sincere Virgo jamming out to Aretha Franklin's "Ain't Nothing Like the Real Thing." Cosmic Grooves is not only an astrological guide to life but also the soundtrack for the journey.
