El arte de la guerra (The Art of War) (Spanish Edition)

Sun Tzu

El arte de la guerra (The Art of War) (Spanish Edition) Sun Tzu

Recopilado más de dos mil años atrás por un misterioso guerrero filósofo, *El arte de la guerra* sigue siendo, quizás, hoy en día, el libro de estrategia más prestigioso e influyente del mundo, estudiado en Asia por políticos modernos y ejecutivos con el mismo entusiasmo con el que fuera consultado en tiempos antiguos por jefes militares. Como estudio de la anatomía de las organizaciones en conflicto, *El arte de la guerra* se aplica en general a la competencia y al conflicto, en todo nivel, desde el interpersonal al internacional. Su objetivo es la invencibilidad, la victoria sin dar batalla, y la fuerza inexpugnable gracias a la comprensión de la física, la política y la psicología del conflicto.

Compiled more than two thousand years ago by a mysterious warrior-philosopher, *The Art of War* is still perhaps the most prestigious and influential book of strategy in the world today, as eagerly studied in Asia by modern politicians and executives as it has been by military leaders since ancient times. As a study of the anatomy of organizations in conflict, *The Art of War* applies to competition and conflict in general, on every level from the interpersonal to the international. Its aim is invincibility, victory without battle, and unassailable strength through understanding of the physics, politics, and psychology of conflict.
