Kelly Edge:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the educator want, like asked to go to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this
