This carefully crafted ebook: "John Keats: Lamia (Unabridged Edition)" is formatted for your eReader with a functional and detailed table of contents.

"Lamia" is a narrative poem, that tells how the god Hermes hears of a nymph who is more beautiful than all. Hermes, searching for the nymph, instead comes across a Lamia, trapped in the form of a serpent. She reveals the previously invisible nymph to him and in return he restores her human form. She goes to seek a youth of Corinth, Lycius, while Hermes and his nymph depart together into the woods. The relationship between Lycius and Lamia, however, is destroyed when the sage Apollonius reveals Lamia's true identity at their wedding feast, whereupon she seemingly disappears and Lycius dies of grief. Also, Keats's poem had a deep influence on Edgar Allan Poe's sonnet "To Science".

John Keats (1795 - 1821) was an English Romantic poet. The poetry of Keats is characterized by sensual imagery, most notably in the series of odes. Today his poems and letters are some of the most popular and most analyzed in English literature.
