Yet again the Jungle Doctor is in the thick of a battle for people's lives. There is so much that good medicine can do to tackle injuries and disease yet local customs and superstition hold back the hospital staff at one mission hospital from saving one woman's life. The doctors and nurses have to work in poor operating conditions with very limited equipment and drugs but despite everything other lives are saved! However, sometimes it seems that everything is going wrong; especially when the old hospital car continues to break down. But throughout it all the Jungle Doctor and his staff know that God answers prayer! Another thrilling adventure from Paul White based in Mvumi hospital, Tanzania.
