Nobody promised love would be easy.

Singer/songwriter Danielle Jackson, a bright star in the Canadian music industry, appears to have it all--until a tragic accident takes it away. With contract obligations to fulfill and deadlines looming, she really needs the friendship and support of the one person she could always rely on.

Unfortunately, he's also the person who's hurt her the most.

Single dad and small town farmer Christian Hunter used to believe if you love someone you should let them go and trust they'll return, but ten years is a long time.

When Danni comes home to recover from the car crash in which her fiancé and fellow band mate was killed, he knows he should leave well enough alone. He's done with comforting broken-hearted women. These days, he's saving his love for his young son.

Sometimes love, however, deserves a second chance.

Lovers reunited, second chance romance, contemporary romance, small town romance
