Book#1

Money: Wish They Had Taught Me This in School is written to give you a reality check on your money management skills. Earning money and managing it to achieve financial freedom are two different things. This book will give you some basic tips and suggestions on how you can manage your money. Many people regret in the later part of their career that they were not taught money management skills in time.

But, before it is too late, you can take the right steps towards financial freedom. This book is designed to clear the confusion over various terms and financial vehicles, when we talk about savings and investments. You will find that there are many methods of saving and investing money that are very simple and logical. The stigma attached to the investment vehicles is just a myth. Before it gets too late, take the initiative to take command of your financial life now!

Book#2

7 Ways to Make a Side Income Online While Working Your Day Job is written in a comprehensive manner to let the readers explore various ideas of earning a constant passive income. As you flip through the pages, you will discover the untapped potential of various online media outlets. The step by step explanations of different types of media are given for providing a better understanding to amateur users. The online media platforms are very easy to maintain and do not require any huge investments as other

businesses do. With minimum investment and modest involvement, you can expect generous returns. This book is not a fluff piece on the extraordinary achievements by anonymous people around the globe. It gives a practical idea on how to explore various options. You can choose whichever option suits you best. Many people around you might have made decent earnings through these kinds of media. You can also give it a try.
