*Dennis Ross*

**The Missing Peace: The Inside Story of the Fight for Middle East Peace** Dennis Ross  
**A gripping personal narrative of the struggle for Israeli-Palestinian peace**

Dennis Ross, the chief Middle East peace negotiator in the presidential administrations of George H. W. Bush and Bill Clinton, is that rare figure who is respected by all parties: Democrats and Republicans, Palestinians and Israelis, presidents and people on the street in Jerusalem, Ramallah, and Washington, D.C.

*The Missing Peace* is far and away the most candid inside account of the Middle East peace process ever published. The maneuverings of both sides, and of the United States as well, are described. For the first time, the backroom negotiations, the dramatic and often secretive nature of the process, and the reasons for its faltering are on display for all to see.

Ross recounts the peace process in detail from 1988 to the breakdown of talks in early 2001 that prompted the so-called second Intifada. It's all here: Camp David, Oslo, Geneva, Egypt, and other summits; the assassination of Yitzak Rabin; the rise and fall of Benjamin Netanyahu; the very different characters and strategies of Rabin, Yasir Arafat, and Bill Clinton; and the first steps of the Palestinian Authority.

The issues Ross explains with unmatched clarity--negotiations over borders, Israeli security, the Palestinian "right of return"--are the issues behind today's headlines. *The Missing Peace* explains, as no other book has, why Middle East peace is so difficult to achieve.
