Basic Life Support Provider: Pediatric Education for Prehospital Professionals (BLS PEPP) is a comprehensive source of prehospital medical information for the emergency care of infants and children. BLS PEPP is designed to give First Responders and EMT-Basics the education, skills, and confidence they need to effectively treat pediatric patients. Developed by the American Academy of Pediatrics, BLS PEPP specifically teaches prehospital professionals how to better assess and manage ill or injured children. BLS PEPP combines complete medical content with dynamic features and an interactive course to better prepare prehospital professionals for the field.
