This 766-page hardcover was published in 1966 by Oxford University Press. This volume is structurally very sound . Internal pages have some scattered underling. The dustcover looks very nice, but, it has several large tears at the spine. The dark blue hardcover appears to be in outstanding condition, with very minimal shelving wear along edges. Corners are sharp. The binding is solid. Overall, a nice looking, sturdy volume. See our 4 photos of this volume.
