Theodore Dwight Weld and the American Anti-Slavery Society

Owen W. Muelder

Theodore Dwight Weld and the American Anti-Slavery Society Owen W. Muelder

In the 1830s, the abolitionist movement gained remarkable momentum due in large measure to the establishment of the American Anti-Slavery Society and the work carried out by one of its most important leaders, Theodore Dwight Weld. One of Weld's most significant accomplishments was the recruitment of a group of key abolitionist agents, known as the "Seventy," who worked to expand the reach of abolitionist thought and action and enlisted new members into the movement. This volume chronicles the founding, development, and mission of the American Anti-Slavery Society, the contributions of Weld, and the crusading efforts of the agents he assembled. With the most complete list to date of the identities of the Seventy, this work constitutes a valuable contribution to the history of the abolitionist movement.
