Dimensions of Human Behavior: Person and Environment Elizabeth D. Hutchison

In the **Fifth Edition** of her acclaimed text, Elizabeth D. Hutchison explores the multiple dimensions of both person and environment and their dynamic interaction in the production of human behavior. Thoroughly updated, the text weaves its hallmark case studies with the latest innovations in theory and research for a comprehensive and global perspective on human behavior.

The companion volume, *Dimensions of Human Behavior: The Changing Life Course, Fifth Edition*, is a comprehensive examination of human behavior across all major developmental stages. Containing powerful case studies and the most current theory and research, the book includes greater emphasis on more stages than any other text. Together, these two texts provide the most comprehensive coverage available for Human Behavior courses. Order the books together with bundle ISBN: 978-1-4833-8097-1.

“Of all HBSE texts that have saturated the market, **Person and Environment** continues to lead the way in **thoroughness, structure of content, and relevance** for student learning.” —**Billy P. Blodgett**, *West Texas A&M University*

“The Hutchison book does an **outstanding** job of conceptualizing multidimensional understanding, breadth versus depth, and general knowledge and unique situations.” —**Diane Calloway-Graham**, *Utah State University*

“The realistic case studies drive home the point that students are preparing to work with real people confronting serious issues—it adds to the **professional development** we’re trying to do in our program.” —**Karla T. Washington**, *University of Louisville*

“This text is **well written**, using fantastic case examples that enhance understanding of the material.” —**Donna Taylor**, *University of Arkansas at Monticello*

“Hutchinson offers a **unique text** by presenting a melding of theory with practice. Utilizing case examples to highlight this intersection of theory, research, and life experiences, this book truly addresses human behavior in the social environment.” —**Carla Mueller**, *Lindenwood University*
