## **Hip Hop Dance (The American Dance Floor)** Mohanalakshmi Rajakumar

Rapping. Breakdancing. MCing. DJing. Beatboxing. Graffiti art. These are just some of the most well-known artistic expressions spawned from hip hop culture, which has grown from being an isolated inner-city subculture in the 1970s to being a truly international and mainstream culture that has taken root in countries as diverse as Japan, France, Israel, Poland, Brazil, South Korea, and England.

This insightful book provides not only an overview of hip hop's distinctive dance style and steps, but also a historic overview of hip hop's roots as an urban expression of being left out of the mainstream pop culture, clarifying the social context of hip hop culture before it became a widespread suburban phenomenon. *Hip Hop Dance* documents all the forms of street music that led to one of the most groundbreaking, expressive, and influential dance styles ever created.
