La incógnita desvelada: Ensayos sobre la obra de Rosa Montero (Currents in Comparative Romance Languages and Literatures) (Spanish Edition)

Singular recopilación de ensayos que abarca la totalidad de la obra de Rosa Montero - literatura y periodismo -. La originalidad de este libro radica en las múltiples miradas de los ensayistas que desvelan las incógnitas narrativas de la escritora madrileña, una de las voces femeninas más autorizadas y prestigiosas del actual panorama literario español por su particular estilo. Cronista de su tiempo, su temática incide en las postrimerías del franquismo, la transición democrática, el fenómeno sociocultural y estético de la llamada «Movida madrileña», con una actitud reivindicativa sobre los conflictos políticos de actualidad y los cambios sociales en la España de las últimas décadas. Rosa Montero muestra una gran erudición en los temas más candentes de nuestra sociedad y un relevante compromiso social y cultural, por lo que es un referente ético y moral y una conciencia crítica de nuestra época. La autora trata aspectos tan universales como el amor y el desamor, los estereotipos sexuales, la búsqueda de la identidad personal y la complejidad del binomio vida-muerte. El presente volumen, *La incógnita desvelada: Ensayos sobre la obra de Rosa Montero*, lleva un prólogo, «Autopsia en vivo», escrito por la misma homenajeadada, en donde afirma: «conozco todo el material aquí reunido y creo que conforma un conjunto magnífico, novedoso y revelador de los entresijos de mi trabajo». El texto interesará a profesores hispanistas y a estudiantes de literatura y cultura españolas; así como a cualquier lector interesado en ahondar en la obra de una de las máximas representantes de la narrativa actual española.
