Laetitia Casta Christopher Heath

Revealing the infinite variety of the "World's Hottest Woman" (*Rolling Stone*)

She's the hottest French export since Brigitte Bardot. She's graced the runways of Galliano and Gaultier and appeared on hundreds of magazine covers worldwide. And in a world of gaunt, underfed, pale models, she's a bodacious, curvy, voluptuous breath of fresh air. She's Laetitia Casta. Called "the sexiest model" by Details and "the most beautiful woman in the world" by Paris Match, Laetitia Casta is on her way to becoming the supreme supermodel of the decade.

Featuring the stunning, revealing, and erotic photography of Ritts and Isserman, Laetitia is filled with the most sensuous photographs ever taken of this modern-day Aphrodite. Complete with accompanying essays on Laetitia's world and her outlook on life, and including previously unpublished photographs and a full-color poster, Laetitia is the sexiest book in bookstores this year.

Already a frequent cover girl, Laetitia is the new face of L'Oreal and a featured model for the Victoria's Secret catalog. She has starred in ads for Chanel, Ralph Lauren, Isaac Mizrahi, and several Guess campaigns. She made her screen debut in this year's film Asterix and Obelix, with Gerard Depardieu, and she has appeared in three Sports Illustrated swimsuit issues.
