Physical Therapist Assistant Exam Review Guide Dutton, Mark Dutton

Physical Therapist Assistant Exam Review Guide provides exam preparation help for physical therapist assistant (PTA) candidates preparing to sit for the National Physical Therapy Examination (NPTE) for PTAs. This book is designed to equip candidates with some excellent study tools that are intended to review the required level of didactic information, and to prepare the candidate for the examination by focusing on the key topic areas. Throughout each of the chapters, key point boxes are used. Questions are presented at the end of each chapter to test the students understanding of the material. In addition to the usual topics that all of the review books cover, this book has separate chapters on pediatrics, geriatrics, and pharmacology. Including detailed information, numerous key point boxes, and tables distributed throughout, Physical Therapist Assistant Exam Review Guide will help the PTA feel confident and prepared to complete the final step in the certification process-passing the examination!
