A Very New York Christmas Michael Storrings

The experience of New York City at Christmas time has enthralled residents and visitors alike since Clement C. Moore wrote *The Night Before Christmas* in his house in the Chelsea neighborhood of Manhattan in 1823, inspiring tributes to the city in words and images. In *A Very New York Christmas*, Michael Storrings captures the magical landscape and excitement of the holiday season in dozens of watercolors, which since 2003 have been turned into bestselling Christmas ornaments. Sold in major retail venues across the country, his limited edition ornaments have a worldwide fan base and sell out performances in such stores as Saks, Bloomingdale's, and Bergdorf Goodman. This year a special ornament will be produced to coordinate with the book.

Portraying both famous traditions like Macy's Thanksgiving Day Parade, the lighting of the Christmas tree at Rockefeller Center, and the Metropolitan Museum of Art's Angel Tree to less well-known ones like the Christmas lights in Brooklyn's Dyker Heights, the Boys Choir of Harlem, and the Holiday Train show at The New York Botanical Garden, *A Very New York Christmas* crisscrosses Manhattan and the four outer boroughs to bring us a Christmas for all New Yorkers--whether residents or just fans.

Including a delightful foreword from Cynthia Nixon (Miranda from *Sex and the City*) this jewel-like book combines festive quotations from literature and popular culture with Storrings's charming watercolors of forty cherished New York holiday scenes making this a perfect gift and yuletide keepsake.
