Technology for Facilitating Humanity and Combating Social Deviations: Interdisciplinary Perspectives Miguel Vargas Martin

Technology has been used to perpetrate crimes against humans, animals, and the environment, which include racism, cyber-bullying, illegal pornography, torture, illegal trade of exotic species, irresponsible waste disposal, and other harmful aberrations of human behavior.

Technology for Facilitating Humanity and Combating Social Deviations: Interdisciplinary Perspectives provides a state-of-the-art compendium of research and development on socio-technical approaches to support the prevention, mitigation, and elimination of social deviations with the help of computer science and technology. This book provides historical backgrounds, experimental studies, and future perspectives on the use of computing tools to prevent and deal with physical, psychological and social problems that impact society as a whole.
