Are you interested in Serial Killers?

Do you want to learn about some of the most infamous serial killers in history?

A serial killer is an individual that has killed three or more people in a sequential series of murders. In many cases, a serial killer is someone that has serious mental illness, sometimes on the line of mental retardation. But this is not always the case. Oftentimes serial killers have urges to kill because of their mental illness. This is different from someone who kills for revenge on another or for gratification. Serial killers have been a part of the world for as long as anyone can remember, and throughout time there have been numerous serial killers, who become infamous around the world, all related to their heinous crimes. The number of serial killers seems to have increased during the 20th Century, however, and it seems that serial killers are as commonly heard of as anyone else.

What you'll learn inside:

- What makes someone a serial killer
- Information about some of the most infamous serial killers in history
- Why certain people become serial killers
- What different serial killers did to capture and torture victims
- And much, **MUCH** more!

So what are you waiting for?
