A Brief History of Time illustrated (Chinese Edition) Stephen Hawking

A Brief History of Time illustrated): Although this book is written very clear and resourceful in professor Hawkings pen, some readers still feel it difficult to understand the complicated concepts. This book adds more than 240 color illustrations including satellite image and photos to deepen the readers understanding. Readers can feel the vastness of the space, the fantastic nature of the black holes and the microworld of particle physics when matter and antimatter collide. As the latest classical work which helps readers to understand cosmology, this illustrated book will attract you very much.
